"Five-Guy Cream Pie" Pregnancies A Porn State Secret-Mary Carey Won't Talk!

One of the surprise XXX-vid fetish hardcore hits of the past couple of years continues to be the *Five Guy Cream Pie* internal cumshot series produced by Los Angeles-based Kick Ass Pictures, which now ranks the title—up to it's nearly two dozenth edition, as among it's all-time best-sellers. "Lots of cum in a girl, what could be better!" says company contract girl Mary Carey, who has never actually appeared in a cream-pie flick, but says she loves them. But what is not so well-known among even adult industry insiders is what is one of the main attractions for the legions of fans who wait impatiently for each new volume-that being, the idea that indeed the girl being loaded with load, could actually become impregnated.

"You should see the mail we get from fans, that's what it's all about for many of them—is the girl getting really knocked up?" says Kick Ass President Mark Kulkis. Most X-followers might assume the chances of such are nearly nil, that actresses who sign up to take the quart or so of sperm into their twats would of course be on some kind of mega-birth control-right? Wrong! According to Kulkis a surprising number of the porn stars being filled with cum are not on any type of birth control, that they "chance it," and in fact some of them have not wound up on the right side of that bet. So how many pregnancies, or indeed, how many babies has Kick Ass officially birthed? "We're not saying!" Laughs Mary. As throughout the North American porn industry the issue of female contraception is always left up to the individual performer, and it is XXX-pected they will do the right thing-but they don't always. Which leaves producer/directors/CEO's like Kulkis, who describes himself ever-diplomatically as "simultaneously pro-life and pro-choice" laughing all the way to the-sperm-bank.

"If it happens it happens, that's up to the girl involved to take care of that. And if they getting knocked up turns out to make my fans happy, well, who am I am to complain?"

Venus Pornsters Invade China-Rest of World Is Next

The organizers of the highly popular annual Venus International Trade Fair-now entering it's 10th season as the world's largest porn convention held yearly in Berlin, Germany, has found it's formula so to it's liking, that it has teamed up with pornsters in, Shanghai, China of all places to run a sex fair; and is reportedly looking to export the concept to other out-of-the-way XXX-hungry locales. Tens of thousands attend the Venus show each year, and similar numbers turned out for their first co-sponsored porn novelty show event in Shanghai, proving that internationally the lust for lust is unrelenting. Sponsors are reportedly now looking at other countries to set up X-shop, including Singapore, Russia, Brazil and Venezuela!

What's In A XXX Domain Name? For "Marylin or Marilyn" Star-Apparently $$$ Nothing

One of the cyber-consequences of the modern computer age is that whenever someone's name hits the news for any reason, their name is "googled" and their website-if they have one, is accessed, for whatever reason. This goes for mainstream types as well as pornsters. And such was the case back a half-decade ago when then super porn vixen Marylin Star got busted for her role in a Wall Street insider stock-trading scandal. As the time the world sent Marylin Star crazy, headlines from Los Angeles to Europe to all over Asia trumpeted the sordid tale of Marylin fucking a famous Wall Street stockbroker, obtaining illegal stock tips, and then making a fortune from them. The problem was, that unlike other scandal queens, Marylin never quite got it together to get her piece of the action—that is making money off of a website detailing her life and crimes (even the notorious O.J. Simpson made a bundle off his site after murdering his wife). At the time of her arrest no website bearing her namesake was in operation, and over the years none was set up-despite the urging of her many friends and followers. Indeed even today, while Marylin remains in Canada, disappeared from the XXX scene, her life and whereabouts a mystery, the sites bearing her names www.marylinstar (the actual way she spelled it in porn circles), and www.marilynstar.com (the correct english spelling) remain inoperative, meaning that neither she or anyone else, is making a dime off of her infamy.

"She blew it, even though she got busted, she could of at least made some money from a website," says one veteran porn industry scribe, "Even today she could make some cash that way, but now it looks like no one is at all—quite the XXX tragedy."

JKP Croaks-Cindy

While the recent break-up and bankruptcy of Jill Kelly Productions (JKP) left a lot of porno-types unemployed in Los Angeles, none of the ex-Jill Kelly girls-their ever-changing roster of exclusive contract cuties including such noteworthies as Jenna Haze and Shyla Stylz-has apparently landed on her feet better than 25 year-old blonde facial-load-loving junkie Cindy Crawford, who has now turned her considerable carnal talents to directing porn, as well as fucking in it. "I still want to fuck, but directing is fun as well!" Cindy oozes. A veteran of hundreds of hardcore sex tapes Cindy's

recent directorial debut working for Defiance/Torrid Video, called *House of Anal* went smoothly, helped along by her own role taking it up the ass for one scene, and "fluffing" another male actor for his scene by fucking him off-camera as well. And while many so-called porn star directors are in fact just selling points for the fuck flick, rather than real hands-on directors, Cindy has apparently decided to put her, ass, pussy and tits where her mouth is, and not only talk the XXX-director talk, but walk it as well. The super-

Crawford Blooms!

gorgeous Las Vegas-born Cindy-that being her real-deal first and last names-spent three years fucking for the camera in such titles as *Cindy's Way*, *Cindy's Fairy Tails*, and *Submission of Cindy*—mostly for JKP, and admits that after doing more than 150 sex tapes, she was saddened to see JKP go under-but was not going to let their financial troubles get in the way of her carnal career. "I had a nice time at JKP, they took me to China, and did a lot for me, but shit happens, and we all had to move on." And from the early looks of things for porn star/porn director Cindy Crawford, she is not only moving on, but moving on up as well. □

Jill Kelly On The Down-Low...Still

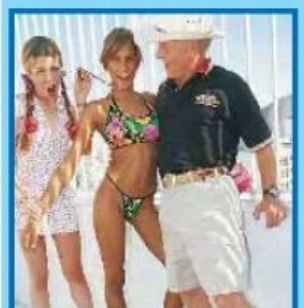
Mega-porn star Jill Kelly continues to stay on the XXX down-low in the wake of the bankruptcy of her namesake porn producing company, Jill Kelly Productions (JKP) of Los Angeles (she was the CEO). When the company went under after a slew of financial losses a half-year back there were rumors aplenty about Jill starting a new X-racket, trying to rebuild JKP, and even moving to Saudia Arabia to marry a sultan who reportedly had the hots for her. Jill though has remained in seclusion throughout, barely speaking a word to anyone beyond a close-to-the-chest interview or two, and her plans for her fornicative future remain unclear. Will the buxom blonde sexed up porn exec return to the porn wars in the near future? Adult industry insiders are betting overwhelmingly that Jill will be back in some form, XXX is in her blood, and a non-porned up life is just not for her. "Jill is a fighter and a good one, " says friend and legendary porn director John T. Bone. "She'll be back in porn for sure."

Erotica LA Continuing to Bust All X-Records

The largest North American porn convention set up for the fan-consuming public, Erotica LA, continues to bust all attendance records, and organizers expect the 2006 show to be even bigger on all levels. While most major US porn conventions are actually inter-sex industry trade shows, with fans let in as an aside, the ever-XXX-panding Erotica LA event-sponsored by the adult trade publication Adult Video News (AVN)—held each summer at a massive venue in downtown Los Angeles, caters solely to fans, and it's paid off big.

"Individuals from all walks of life, from every part of the world, gather in the midst of summer joy in downtown Los Angeles to build their own scene drawn from sexuality and sensuality-embodied by the physical and intellectual," claims show promo, and indeed despite being restrained by local laws from having full nudity or hardcore sex, Erotica LA 2006 looks to be another record shatterer, as hundreds of porn companies, stars, and fellow fornicators have already signed up to showcase their wanton wares. Fans are urged to get their tickets early at www.erotica-la.com.

US Attacks Max (Again!)—Rest of US Porn On Red Alert!



Veteran notorious gonzo porn producer/director/performer Max Hardcore's lavish suburban Los Angeles mansion/studios were raided by a heavily-armed team of US Federal agents in apparently yet another attempt by government officials to put Max out of business, and into jail. The early morning attack by a group of Federal Bureau of Investigation(FBI) officers was conducted as part of an investigation by the Child Exploitation and Obscenity Section (CEOS) of the Department of Justice-looking into whether five of Max's titles, were legally "obscene."The XXX vids being probed are *Pure Max 16: Euro Version*, *Max Hardcore Fists of Fury 3*, *Max Hardcore Extreme Schoolgirls 6: Euro Version*, *Max Hardcore Golden Guzzlers 5* and *Max Hardcore Golden Guzzlers 6*. Max himself was in Barcelona, Spain at the time attending a European adult industry trade show, but immediately blasted the investigation as a waste of the government's time, and vowing he would fight to the death any attempt to criminally indict him. The Federal Max-attack comes just one year after the feisty pro-fornicator ended a three-year legal battle with local LA cops, who busted him in 2001 on similar obscenity charges-with Max escaping that legal fiasco victorious. More ominous though than Max's personal ongoing legal problems—which his detractors say he brings on himself through the brazen production of some of the hardest-edged young girl anal-fuck tapes in the X-biz—is the Bush Administration's repeatedly stated goal to go after the US XXX racket bigtime over the next four years. Already special squads and units of the US Justice Department have organized to go to war with the pornsters, and the Max raid appears to be the opening salvo in that pro-prude broadside. So where will such prosecutions start and end? Will only the most hardcore porn pushers face the government's wrath, or will there be no distinction made between them, and the softer-core "couples"-type fare hawked by the likes of Vivid Video and Wicked Pictures. Porn company lawyers say it is too early to tell how fare the Bush anti-smutters will go, but many have already suggested their clients deposit in advance large sums of cash with their attorneys in anticipation of more Max-like assaults in the near-future.

SEX SECRET REVEALED!

HOLY SHIT!
3 Times in One Night?!

"His cock was so completely HARD & BIG. And his staying power was INSANE."

SECRET "Sex Serum" Exposed!

Are you the type of guy that women brag about - THAT "One Guy", the one that "rocked her world"? Now be honest, is that guy you? If not, I may have the secret answer that's been apparently keeping the "industry" guys at the top of their game for years. Check out this letter I received (from a chick none the less).

To the Editor: I don't usually write into magazines (especially mags like this), but after uncovering this amazing secret, I just had to blow the whistle on this stud. I know every girl says this, but I've only been with a handful (ok, maybe two handfuls) of guys sexually. And to be honest, a one night stand is a pretty rare occasion for me. But after partying with this guy for a couple of hours and grinding up against him I just had to get a glimpse at what this guy was packing.

Well, after heading back to his place, let's just say it got a little crazy. He made all the right moves and the sex that followed may have actually destroyed it for every other man! His cock was so completely hard and BIG. And his staying power was insane. Holy shit! I must have had 5 or 6 orgasms after being ravaged 3 times in one night. Now I've been with a couple of guys that performed well in the past. I know one of them was using Viagra, and the other a topical called Maxoderm (which also works pretty well). But hands down this guy was the "champ", I mean he performed sexually like a pro! So between the size of this guy's unit and the fact that he pounded me for nearly 4 hours, I just had to ask what this super stud was using to rock my world.

Well, after bribing him with some return "favors" he finally fessed up. Surprisingly enough, it was also a topical (like Maxoderm, but better). He referred to it as his "secret sexual serum", better known as **PROMAGNUS**. And, get this, my super stud also owned up to being an adult film star!! He claims that he'd never be able to perform at his job without the help of **PROMAGNUS** and that it maximized size while helping him to "recover" faster and do it more often (I'll say!). He even said that ALL male stars he knew in the industry use it – "What do you think, we have the super human ability to fuck like that naturally?"

So next time you think that these "super" studs are plugging away on screen with little or no help THINK AGAIN! They obviously need help like everyone else. So now the secret is out of the bag! I recommend **PROMAGNUS** to any man looking to perform like a porn star. I know that I'll never let any man that I'm with have sex without it again .

Alexa – from Vegas
